

VOLUNTEER AT THE HOUSTON FARMERS MARKET!

The Houston Farmers Market has many opportunities to volunteer. Volunteering is key to helping the Houston Farmers Market and community thrive through our special events. If you are interested in volunteering, you can email events@houstonfarmersmarket.com to receive more information and find out about upcoming volunteer opportunities.

WHO CAN VOLUNTEER?

We welcome individuals and organizations or groups to volunteer.

Anyone over the age of 18 can volunteer. If you are under 18 and it is your first-time volunteering with us, we will need a parent/guardian present to sign a waiver letting students volunteer with us.

Please note, most volunteer activities will take place outside and may require standing and walking around the market. Volunteers should be able to squat, bend, twist, lift, stand or sit for extended periods of time, with scheduled breaks. Accommodations can be made.
